# Sunday 18th January

## 2nd Sunday of Epiphany

### Week of Prayer for Christian unity

In the Gospel reading for this Sunday we hear about Jesus and the first disciples, this is part of verse 36 “as he watched Jesus walk by, he exclaimed, ‘Look, here is the Lamb of God!’” I wonder if we notice Jesus walking past us? Whether we see him in those we walk past, or in the changing seasons, or through something we might be reading. Do we notice him walking through our lives or do we just carry on walking without seeing him? Whether we are oblivious to his presence or just not in the right frame of mind for him.

I am currently reading a book called “How to Winter” and one of the suggestions given by the author is to take notice of our surroundings more during this time of year, to see the beauty that we might miss if we just go round thinking winter is just dark, cold, wet and horrible. Just by stopping and noticing what is actually going on can change our perspective.

I wonder if by stopping for a moment we might see where Jesus is walking in our lives. Taking a breath in this world that tells us we should be busy and on the go all the time, take a moment, see where what he is trying to show us and then change our faith for the better, 1 degree at a time.

### **Visitors from Biharamulo, Kagera and Lweru**

Bishop Vitalis, Bishop Darlington and Bishop Godfrey arrive this week ready to support Bishop Joanne as she is licensed as our new Diocesan Bishop. Adam Geileskey is arranging their programme - it is already quite full, but there may be opportunities for some or all of them to spend some time with us at St Margaret's, learning about ordinary Suffolk life. Do speak with Adam if you have a spare room, might like to host for a meal or join them for a walk to chat about life in Suffolk. Wouldn't it be lovely to have more invitations than their programme permits!

**Bishop Godfrey of Lweru Diocese will be worshipping with us next Sunday.**

### Cornerstone

In this winter season we will be joining together in church at 12pm every third Wednesday for Holy Communion, followed by a soup lunch and conversation in the church centre afterwards.

### John & Helen Elliston

John and Helen Elliston would like to say they are extremely grateful to the congregation and MU past members who sent them good wishes signing the cards we had at back of church. They will keep them in their possession. It was most kind of everyone and they appreciate it enormously. They were absent from church for much of last year as Helen's alzheimers became worse and had to take the decision to move to sheltered accommodation in Gt. Finborough nearer to one of their daughters who can pop-in most days. They have been there just over a month and are gradually settling in, though Helen is finding it disorientating in new surroundings. They value our prayers as they navigate this new way of life.

### PCC Meeting

The PCC is meeting this Wednesday 21st January at 7.00pm in the Church Centre. Please keep them in your prayers. As well as the standing items on the agenda, everything from finance to property, to eco church, safeguarding, fellowship and events, the church centre and others, the agenda includes:

- Reflecting on where God is at work among us, especially over Christmas and with the start of the new worshipping pattern.
- Gratitude for two recently received gifts in wills.
- Considering the Admission of Children to Holy Communion before Confirmation
- An update on conversations taking place in the national church with regard to Living in Love and Faith, Prayers of Love and Faith (public prayers of dedication, thanksgiving and asking for God's blessing of same-sex couples)
- An awareness of the Annual Church Parochial Meeting (APCM) - the meeting when the community elects Church Wardens as the whole church gathers to elect PCC members and Deanery Synod Representatives

## Churchwarden(s) Vacancies

After four years of dedicated service in the role of lone Churchwarden, Margaret Woodward's time in this role will end at the APCM. Churchwardens serve the community in one of the most visible and important roles in a church community and we must discern wisely the people who will take on these roles in this season when the church is growing. Please begin to pray and to look for people across this community with practical and people skills whom God may be calling to serve us in this role. The Vicar's prayer is that a team of 4 people will emerge. Two named wardens and two dedicated helpers. The role of churchwarden is varied - there are some tasks that must be undertaken, however, it can also be shaped to enable individuals to bring their skills to the role to help St Margaret's continue to flourish and grow. There is some information about [being a churchwarden on the Diocesan Website](#): please speak with Revd Sarah and with Margaret if you are curious.

## Remembering those who have died

We remember and give thanks for Jo Carrick who died on Monday following a short illness. As Co-founder and Creative Director of The Red Rose Chain theatre, many have been the tributes to Jo as people give thanks for her life and work. Jo's husband, David and son, Ted, are in our prayers.

# Growing Greener

## Green Tip of the week

How do you get around?

We so easily forget to switch off appliances when we have finished with them. The computer stays on all day, the programme finishes and we leave the television on. It is so easy to do. Yet, simply turning off your appliances and gadgets when you're not using them, will save you thousands of pounds of carbon dioxide a year. Do make sure you turn them off completely and not just leave them on stand-by!

*Revd Richard Stainer's weekly tips return soon.*

## Offertory

The life and mission of St Margaret's is financially sustained through generous giving. If you have been giving regularly as part of your practice of gratefully living in God's service, thank you. If you're new to the community, or would like to think about celebrating life in this way, you may find the following helpful: we receive no income from 'The Church'... we are the church! So, thank you – for anything and everything that you are able to give in response to God's generosity.

In church you can give in a couple of ways on the day:

- **Collection plate** – during services a collection plate is sometimes passed among the congregation, but you will more often find it at the South door as you leave or arrive. Do use a yellow envelope if you're a tax payer so gift aid may be re-claimed.
- **Tap giving** – during services a tap giving machine is located on the pillar on the west wall, to the left of the bell tower – do consider tapping your card or device. As well as giving regularly, this is also a good way of offering an occasional additional gift.
- **Regular Giving** – St Margaret's is registered with the [Parish Giving Scheme](#), allowing you to be in control of your giving and to give securely and safely online by Direct Debit.
- **Online giving** – If you wish to make a one-off or extra gift online, you can do so securely via the [Parish Giving Scheme](#).
- **Gift Aid** – if you are a tax payer, St Margaret's can claim back the basic tax you have already paid to the government. To make the appropriate declarations, please speak with the treasurer, [John Grierson](#).
- Leaving a **gift in your will** or making a **donation in memory** of a loved one – no matter how large or small, every gift makes a difference. If you would like to talk about this with someone, in confidence, then please consider speaking with the treasurer, [John Grierson](#) or the Vicar, [Sarah](#).
