The Vineyard

[John 15.1-2]

"I am the true vine, and my Father is the vine-grower. He removes every branch in me that bears no fruit. Every branch that bears fruit he prunes to make it bear more fruit."

As we approach this Sunday's Annual Parochial Church Meeting I have been looking back at what is past and wondering what is to come. Perhaps you have too?

This Sunday's gospel reading helpfully frames this task. Consider the place of St Margaret's Church in the vineyard: its community, its places and its many people. As you look back over the last year and think about today, how would you answer these questions:

What has been fruitful?

Where are there signs of fruit?

What pruning must happen to produce fruit?

What has not borne fruit or is no longer fruitful?

Do you find different answers when you think about these questions in relation to St Margaret's Church and your own life?

Once you have some thoughts in front of you, do go on to consider in the light of this

week's gospel narrative what we as a community might need to stop or start or continue? Ask the same question of yourself too, what must you as an individual stop? Start? Continue?

Abide in me as I abide in you.

God is with us in this task and for all that is to come: the fruiting and the pruning, the growth and abundance. The excitement of sap rising bringing new things, and the passing of once fruitful branches as they are pruned. To God be the glory.

See you on Sunday.

Vicar Sarah

Annual Parochial Church Meeting

The ACPM is taking place in the Church at 12.30pm on Sunday 28th April.

Churchwarden Margaret has approached a number of folk to bring together a series of brief written updates on various areas of church life and activity during 2023. Thank you to those who have written them. Along with the ACPM agenda, the 2023 Church Accounts and the 2023 Electoral Roll have been published two weeks in advance of the meeting. Please see link below to access the documents (there are some hard copies at the back of the church)

<https://stmargaretsipswich.org.uk/church-life/apcm-2024/>

Margaret Woodward is willing to serve a third successive year as churchwarden

should she be elected.

Sarah Milner will finish serving as PCC Secretary after the APCM.

Tim Lockington, Richard Jackson and Melanie Quinton are coming to the end of their three year terms of office so, with vacancies that have been carried we are now looking to appoint up to six PCC members. Candidates standing must be nominated and seconded by someone on the electoral roll.

Nomination forms are available at the back of the Church.

AV Project

City Fibre installing broadband into the church this week.

Thank you for the encouraging feedback that was received following last Sunday's services and continued thanks to Andy Turpin, Stuart Quinton and Steve Roberts for the time they've dedicated to the project. Members of the sound team are about to embark on their training too, so thanks again for all the time you commit to serving the community in this way.

The hearing loop has now been fully extended into the church so if you are a hearing aid user you should be able to sit anywhere in the church. Over the next few weeks it would be really helpful if you could sit somewhere different to

usual to help us to test the loop does work and please send us any feedback.

The loop also goes into the Lady Chapel but due to the configuration of the cabling it might be disproportionately louder so please don't be surprised if this is the case and again, please send us any feedback.

Speakers have now been extended into the choir and we will continue to livestream: **this week using our new broadband link, rather than relying on the 4G network.** Please see the links at the top of the page to access the livestream.

Meanwhile, the two projectors in the side aisles are still awaiting lenses and we hope this will be completed in early May.

For those who have seen the system in action and have been moved to make a donation towards the cost of the installation... thank you! Treasurer John Grierson is always pleased to hear from anyone considering making a donation to a particular project or church activity.

Church Pew for Sale

One of our church pews is for sale that had to be taken out for the new AV system.

We are selling the pew via a silent auction with bids in sealed envelopes.

The pew measures 2060mm wide and will be in the church office to view. To arrange a viewing and/or drop in sealed bids please drop into the church office.

Lucy works Tuesday, Wednesday and Friday 9.30am-2.30pm in the office.

The bids will open immediately and close on Monday, 6th May 2023. Bids will be opened on the morning of Tuesday, 7th May .

In the vintage shop at Laurel Farm on the Henley Road there is currently a very similar pew for sale for £250 so you might be able to grab a bargain!

Church Maintenance Stone & Masonry Repairs

13 May to 2 August 2024

Six years after our architect's last building inspection we are pleased to be carrying out much needed repairs to the stonework and masonry. Works to the tower are located close to memorials: contractors are aware to work with care in this area. Churchyard planting will see some changes: the laurel and bay growing against the tower will be removed to reduce damp in the base of the tower and some other planting temporarily removed. We expect to see scaffolding on the south and east of the church, the south and west faces of the tower.

We hope to keep the church open daily as usual between 10am and 4pm.

Financial Giving

The life and mission of St Margaret's is financially sustained through generous giving. If you have been giving regularly as part of your practice of gratefully living in God's service, thank you. If you're new to the community, or would like to think about celebrating life in this way, you may find the following helpful: we receive no income from 'The Church'... we are the church! So, thank you – for anything and everything that you are able to give in response to God's generosity.

Here are some answers to the practicalities of giving:

- **Collection plate** – during services a collection plate is sometimes passed among the congregation, but you will more often find it at the South door as you leave or arrive.
- **Tap giving** – during services a tap giving machine is located on the pillar on the west wall, to the left of the bell tower – do consider tapping your card or device. As well as giving regularly, this is also a good way of offering an occasional additional gift.
- **Regular Giving** – St Margaret's is registered with the [Parish Giving Scheme](#), allowing you to be in control of your giving and to give securely and safely online by Direct Debit.
- **Online giving** – If you wish to make a one-off or extra gift online, you can do so securely via the [Parish Giving Scheme](#).
- **Gift Aid** – if you are a tax payer, St Margaret's can claim back the basic tax you have already paid to the government. To make the appropriate declarations, please speak with the treasurer, [John Grierson](#).

- Leaving a **gift in your will** or making a **donation in memory** of a loved one – no matter how large or small, every gift makes a difference. If you would like to talk about this with someone, in confidence, then please consider speaking with the treasurer, [John Grierson](#) or the Vicar, [Sarah](#).
