

Charities for the Needy Report

As is usual we have decorated the church for the three festivals.

We have had a few new arrangers join us last year which has been pleasing to see.

As many of you will note, silk arrangements are put on the altar between festivals.

These are thanks to Gill Barton who has made up these wonderful arrangements.

As there is only 2 of us on the flower committee now, we are in need for others to join us.

We thank everyone who supports us in decorating our beautiful church for our festivals.
